Note to Contributors

*Science Insights Education Frontiers (SIEF)* is published under the auspices of the Bonoi Academy of Science and Education to provide authoritative, critical surveys on the current status of subjects and problems in the diverse fields of education.

We accept manuscripts on every aspect of education. We only accept four types of manuscript: Editorial, Short Communication, Article, and Review. Editorial is an invited perspective written by our editors. Review is solicited and welcomed from the experts in corresponding research fields. All manuscripts should be submitted online (http://scineer.bonoi.org/basicpage/submission) or E-mail to executive.editor.scieer@bonoi.org. In addition, the following suggestions may serve as a general guide.

Authors should note that they are writing for an international audience. National colloquialisms and idiomatic use of language should be avoided to the extent possible. Word choices and sentence constructions that might imply bias against persons on the basis of gender, racial or ethnic group membership, disability, sexual orientation, or age should be avoided.

Manuscripts are accepted for publication subject to copyediting. Manuscript submission indicates the author’s commitment to publish in *SIEF* and to give *SIEF* first publication rights. No paper known to be under consideration by another journal will be reviewed.

Judicious selection of references is an important function of the authors. Cited references should be listed alphabetically according to author, and the author’s last name and publication year should be used in the text. The full title of each paper should be given. Each citation should be checked with the original publication to avoid embarrassing errors. The system used in the Chemical Abstracts for abbreviations of journal names should be followed.

The length of a paper is no measure of its quality, and it is only the latter that determines acceptability for publication. However, practical considerations make it desirable to set a provisional limit of 10,000 words of the main text that does not include tables, figures, and references; and at least 1,000 words for each accepted paper should have for the main text.

The acceptability of a manuscript cannot, of course, be finally decided until the finished product has been examined. The acceptance is contingent upon the advice of the Editor-in-Chief of the SIEF.

Correspondence relating to editorial matters should be addressed to the editorial office via online contact form.
